

Due to the impact of **COVID-19**, and to ensure the health and wellbeing of our staff and guests, the Board of the RAAF Welfare Recreational Company have taken the decision to close the Ambassador apartments for a period of six months (end of September). Additionally, this allows the Board to ensure complete compliance with all Government directives at every level.

Guests currently booked the end of September have been or will be contacted and provided a full refund of their deposit. Additionally, those guests will be afforded the first opportunity to re book a stay at Ambassador once the current restrictions are removed. The Management team will contact you at the appropriate time.

The Board will be monitoring the situation on a regular basis and should events change to the extent that the apartments can be re-opened for holiday bookings within this six month period advice to that extent will be disseminated by the widest possible means. Conversely, should there be a need to extend the closure, this advice will also be disseminated widely. **Please note that whilst the apartments remain closed without a planned re-open date bookings will not be taken.**

We look forward to welcoming guests back to Ambassador when circumstances allow.
